We think the overall plan could be excellent for the people of Blandford & surrounding areas. We feel there is a definite need for another top quality Supermarket out of town. This should bring people into the Town Centre and the shops. Before any houses are built, we feel that the infrastructure needs to be in place ie: Doctors, Dentists and Schools. We also need to make sure that all of the vacant shops in Town are filled in order to attract tourists. How about making the Town Centre traffic free??
