The prospect of more housing, which I appreciate has to happen somewhere, means more traffic trying to pass through the town centre. I own a car & only use it when walking or busing is not viable, but when I do, because of where I live it takes quite a time to get in ~~for~~ ^{along} the 1way system if I have to go out except perhaps late evenings or Sundays. I think more should be done to encourage drivers to take the bypass instead of P.T.O.
