Comments:

- ① Local Plan Policy 3 - Climate Change needs to think about & incorporate the effects of different weather patterns - more intense (even if shorter duration) rainfall events - therefore design of new drainage systems needs to be able to accommodate increased ^{temporary} volumes or to attenuate ~~propose~~ ^{hold} to allow time for surface water to disperse downstream.
- ② Children in Bryanston could do with some here to gather/play etc. Can the

Please continue overleaf or on a separate page.

You can submit your comments either in person, online or through the post. Please note as per the regulations your comments will be published online and therefore be available to download freely.

In Person:

Saturday 27th February 10am - 2pm in the Corn Exchange

Sunday 13th March 12pm - 2pm at Bryanston Estate Club

Online: By emailing admin@blandfordforum-tc.gov.uk

Through the post: Town Clerk's Office, Church Lane, Blandford Forum, Dorset, DT11 7AD.

field area/rec. be opened up or made 'safe' for this purpose? Has anyone asked the children if they would be interested in activities being provided in the village???

③ Explore how to keep the telephone box as a 'feature' for the future if 2x houses are built on the current site. Even if kept as non-functional notice board etc.

④ Concern that the redevelopment of Lower Bryanston will exacerbate an already awkward bottleneck on the road and further impede local access routes.
