Dear Sir/Madam

Blandford + Neighbourhood Plan 2 Pre-Submission Plan Consultation (November 2018)

I write on behalf of my client, Wates Developments Limited, which has recently acquired an interest in land located to the north east of Blandford Forum.

My client has instructed me to make representations to the Pre-Submission version of the above plan. The representations comprise the following items which are attached:

1. Completed Consultation Form
2. Covering Letter
3. A short Representations Report
4. Concept Layout (Drawing No 18130(AF)00.01 - Rev P06)
5. Proposed Context Plan (Drawing No 18130(AF)00.02 - Rev P03)

The Wates Group is a family owned company established in 1897 and it remains one of the UK's most successful, privately-owned construction and development companies. The company is a family business of the highest capability, integrity and core values.

Following the submission of these representations we would like, if possible, to arrange a meeting with the Steering Group early next year to discuss the proposals and your initial thoughts.

I will contact you early next year to see if this is possible. In the meantime please do hesitate to contact me should you require additional information or clarification.

Yours faithfully
for Genesis Town Planning Ltd
